2019 WATER MAIN
REPLACEMENT PROGRAM
ST. CLAIR SHORES, MI 48081

Sealed proposals for the construction of the 2019 WATER MAIN REPLACEMENT PROGRAM will be received by the City Clerk for the City of St. Clair Shores 27600 Jefferson Avenue, St. Clair Shores, Michigan 48081, until **10:30 a.m.**, Local Time on **April 23, 2019**, at which time and place all bids will be publicly opened and read.

Bidders shall review and comply with the Instructions to Bidders, which are incorporated by reference, and carefully review all Contract Documents, as defined in the Instructions to Bidders. Bids submitted after the exact time specified for, receipt will not be considered.

The Contracts will consist of the following principal items of work and appurtenances as specified herein and shown on the Contract Drawings.

Description of Work

The work under contract comprises four separate divisions of work which may be awarded as a single contract or up to three (3) individual contracts as follows:

Division 1: Shock Street from 11 mile to Martin

This division of the project consists of the replacement of approximately 2,435 lineal feet of eight inch (8") water main. New water main consists of new PVC pipe installed using pipe bursting methods, new hydrants, and gate valves. Other work items include pavement and sidewalk removal and replacement, driveway removal and replacement and minor drainage improvements.

Division 2: Evergreen Street, from Harper to Greater Mack

This division of the project consists of the replacement of approximately 2,549 lineal feet of eight inch (8") water main. New water main consists of new PVC pipe installed using pipe bursting methods, new hydrants, and gate valves. Other work items include pavement and sidewalk removal and replacement, new ADA ramps, landings and detectable tiles, driveway removal and replacement and minor drainage improvements.

Division 3: Harmon Street, from Stephens to 10 Mile

This division of the project consists of the replacement of approximately 2,613 lineal feet of eight (8") inch water main. New water main consists of new PVC pipe using pipe bursting methods, new hydrants and gate valves. Other work items include pavement and sidewalk removal and replacement, new ADA ramps, landings and detectable tiles, driveway removal and replacement and minor drainage improvements.

Refer to the Project Drawings for specific locations of work.

Plans and Specifications must be obtained through Michigan Intergovernmental Trade Network (MITN) at www.bidnetdirect.com/mitn after Tuesday March 26, 2019. A public viewing copy is available at the City of St. Clair Shores, 27600 Jefferson Avenue, St. Clair Shores, Michigan 48081.

Proposals submitted by Bidders who have been debarred, suspended, or made ineligible by any Federal Agency will be rejected.

Each bidder agrees to waive any claim it has or may have against the Owner, the Architect/Engineer, and their respective employees, arising out of or in connection with the administration, evaluation, or recommendation of any bid.

Each bid proposal shall be submitted on the proposal forms provided and shall be accompanied by a certified check, cashier's check or bid bond, executed by the bidder and Surety Company, payable to the City of St. Clair Shores in the amount of Five Percent (5%) of the accompanying bid. Proposal Guarantee shall provide assurance that the bidder will, upon acceptance of the bid, execute the necessary Contract with the City. No bid may be withdrawn after scheduled closing time for receiving bids for at least sixty (60) days.

The successful bidder will be required to furnish satisfactory Performance, Labor and Material, and Maintenance and Guarantee Bonds.

The City reserves the right to reject all bids and to waive irregularities in bidding.
