Addendum Description

The pre-bid meeting for the City of Howell WTP Improvement is still scheduled for 1pm today, Thursday 3/12/20. Considering the state and national precautions being taken to prevent the spread of Covid-19 this meeting has been changed from mandatory to optional. We encourage bidders to attend the meeting at City Hall.

Please be aware of this change especially for those who have recently traveled, are sick, or concerned about their or other’s health. Minutes from the pre-bid meeting will be made available with the next addendum. Bidders are encouraged to visit the Water Treatment Plant but must coordinate with the WTP Superintendent.
