2023-2025 SAFETY PATH REPAIR PROGRAM
BLOOMFIELD TOWNSHIP, MICHIGAN

Sealed proposals for the construction of the 2023-2025 Safety Path Repair Program will be received at the **Bloomfield Township Dave Payne Public Services Building** (part of the 4200 Telegraph complex – see location map in Appendix A) until **4:00 p.m. Local Time on Wednesday, March 22, 2023** at which time and place all bids will be publically opened and read. Bid opening will commence at **4:10 p.m. Local Time on Wednesday, March 22, 2023** and will be read at the Township.

Bidders shall review and comply with the Instructions to Bidders, which are incorporated by reference, and carefully review all Contract Documents, as defined in the Instructions to Bidders. Bids submitted after the exact time specified for, receipt will not be considered.

The Contracts will consist of the following principal items of work and appurtenances as specified herein and shown on the Contract Drawings.

Description of Work

Year 1 of the project consists of repairing approximately 20,453 Sft of existing concrete safety paths, and drive approaches at various locations throughout the Township and Village. Miscellaneous curb, drainage improvements and other items may be included if involved with repairing the safety path.

This is a potential three-year project. The repair areas and quantities for Year 1 are included in the base bid for this contract. ESTIMATED quantities for Years 2 and Year 3 have been provided for the purpose of establishing unit prices that would be used for Year 2 and Year 3. There is no guarantee that additional work after Year 1 will be awarded. Years 2 and 3 will be issued by change order solely at the discretion of the Township. Based on Township budgets, and the success of the Year 1 work, work included for Year 2 and Year 3 could be issued at a later date through the change order process. Should additional work be issued, it is assumed it will be similar in scope the estimated quantities included in the Proposal. The Year 2 and 3 unit prices will be adhered to.
