

**ADVERTISEMENT FOR BIDS**

**SOUTHGATE – WYANDOTTE RELIEF DRAINS DRAINAGE DISTRICT  
RETENTION TREATMENT BASIN (RTB) EFFLUENT CHANNEL FLAP GATE PROJECT  
WYANDOTTE, MICHIGAN**

Sealed proposals for the construction of the Retention Treatment Basin (RTB) Effluent Channel Flap Gate Project will be received by the **Southgate-Wyandotte Relief Drains Drainage District at the Conference Room of the Downriver Wastewater Treatment Facility, located at 797 Central Avenue, Wyandotte, Michigan 48192 until 3:00 p.m., Local Time on Tuesday, October 17, 2023**, at which time and place all bids will be publicly opened and read.

Bidders shall review and comply with the Instructions to Bidders, which are incorporated by reference, and carefully review all Contract Documents, as defined in the Instructions to Bidders. Bids submitted after the exact time specified for, receipt will not be considered.

The Contracts will consist of the following principal items of work and appurtenances as specified herein and shown on the Contract Drawings.

Description of Work

The Owner, the Southgate Wyandotte Relief Drains Drainage District (SWRDDD), is requesting bids for construction of the RTB Effluent Channel Flap Gate project, which generally includes demolition of the existing slide gate and gate superstructure, modifying existing chambers, and modifying the controls and SCADA screens. Additional facility work includes limited concrete sidewalk, structural concrete repairs, coarse and fine bar screen replacement, sitework, and removal of steel hatch covers and replacement with new grating.

Copies of Plans and Specifications and Proposal Forms shall be available on or after Wednesday, September 13, 2023 at the offices of Hubbell, Roth & Clark, Inc., Consulting Engineers, 555 Hulet Drive, Bloomfield Hills, Michigan 48302-0360.

The Bidder is advised that to submit a bid on this project, the Bidder must obtain project documents from Hubbell, Roth & Clark, Inc.

**A MANDATORY Pre-Bid Meeting will be held on Wednesday, September 27, 2023, at 10:00 a.m., Local Time**, at the Downriver Wastewater Treatment Facility Administration Building located at 797 Central Avenue, Wyandotte, Michigan, 48192. A site visit at 740 Central Avenue will follow the meeting. Attendees are recommended to bring appropriate personal protective equipment (PPE) for the visit. Bidder must be in attendance at this meeting and sign in on the forms provided at the meeting to submit a Bid for this project.

**An optional follow-up site visit at 740 Central Avenue, Wyandotte, Michigan 48192 will be held Wednesday, October 4, 2023, between 8:00 a.m. and 11:00 a.m., Local Time.** This optional site visit is intended as a mean to determine quantities or further address all aspects of the Work. Any verbal instructions or answers to questions during these site visits are not a part of the contract documents and cannot be used as a basis for bid pricing. All questions regarding the substance of the project must be submitted via e-mail to the Engineering contact Nathaniel Coffin, P.E., at [ncoffin@hrcengr.com](mailto:ncoffin@hrcengr.com) no later than the Pre-Bid Question Deadline date of Thursday, October 12, 2023.

A non-refundable payment of Ninety (\$90.00) Dollars, **CHECK ONLY, payable to “Hubbell, Roth & Clark, Inc.”** will be required for each set of Drawings and Specifications. Drawings and Specifications can be shipped
